Congratulations to all players!
Everyone played well and improved so much during the short eight week league. A huge thanks to all coaches, Robyn M, Jenny S, Lauren M, Nicola P, Emily Q, Sharlee R, Andrea C, and Nicole D! Also a big thank you to Caroline C, our parent coordinator who did a fantastic job keeping everyone in the loop and organized! Thanks to Jo M and Paula M for umpiring, coaching and helping out!

Bling Bling!

The U18 and U23 teams returned from Vancouver with some silver accessories around their necks after a great effort during Nationals. Great job girls! A big round of applause to Amy S who received the Marg Fox Award for showing leadership in coaching, umpiring and even contributing with administration. Thank you to all coaches, players and volunteers who helped out with making Nationals such a success. Don't forget to congratulate Aleasha B and Sonja S as they head off to sunny St. Lucia for the AFNA tournament in July. High five!

Horsin' around...

On June 12th and 13th netballers soaked up the sun at Spruce Meadows while watching horse jumping and getting grooves on with the marching bands. Spruce Meadows is an enjoyable and easy fundraiser that N.A. will continue to participate in for years to come. So don't worry if you missed out this year, there will be plenty of time for horsin' around next June!

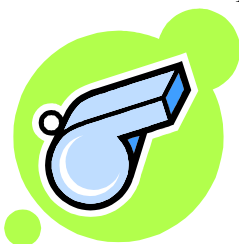

Summer lovin'...

Also, A Step Ahead, Child Development services are going to get their first taste of netball this summer in their own camps in Douglas Glen. So share the love and knowledge of netball with everybody and join summer camps. **Netball is for all seasons so don't forget to register for**

Yee-Haw...

The weather at the Stampede Breakfast at Hull Home wasn't the best but that didn't dampen the spirits of our lovely volunteers who took time out of their day to help at the Netball Alberta Stand. A big THANKS to Sarah B, Zandalee C and Andrea C for helping out! A great time was had by all, the breakfast was delicious and everybody had a chance to practice shooting some hoops. Yee-Haw!

Gym lines...

The rumors are true! South Fish Creek will be making netball lines apart of their gym. No more tape or basketball lines! The South Fish Creek gym does not quite meet the ideal size standards, but the lines will be adjusted proportionally based on the dimensions. So look out for the new white netball lines! Hooray!

Over the hill...

Happy Birthday! Netball Alberta is officially 35 years old! To mark this special occasion we're having a fun filled weekend of netball at Southland Leisure Center. The tournament will be held from November 5th to the 7th and the costs are included in your Fall League sign up fee- so it feels free! Don't forget everybody's favorite time of year, the AGM. We'll be voting for the new Executive team and remember if you fancy yourself a bit of a writer the newsletter position is up for grabs! FUN!

Lethbridge bound...

Jess M, Matthew L, Robyn M and Leeanne M traveled to Lethbridge to showcase netball at the Sport Council Canada Day Event. There were crowds of people at Lake Henderson Park and we have hopefully recruited a couple of new players! Leeanne M is heading down to the University of Lethbridge to study in September and is willing to help Netball Alberta start a league in Lethbridge. If you know anybody in the Lethbridge neighbourhood who might enjoy a game of netball or two make sure they contact Jess M for more information!
