

Netball Alberta

EQUALITY AND DIVERSITY POLICY

The Netball Alberta (NA) Board of Directors believes it is imperative to ensure everyone connected with international netball understands the importance of Equality, Diversity and Inclusion in the world of netball. The aim, through Netball Alberta Events, is to create an environment in which there is equality of opportunity and where people treat each other with mutual respect.

1. Policy Objectives

1.1 Netball Alberta (NA) is fully committed to the principles of equality of opportunity and is responsible for ensuring that no members, employees, job applicants, office holders, volunteers, officials, parents and guardians, consultants or members of committees and panels (together "Stakeholders") are unlawfully discriminated against because of age, disability, gender reassignment(), marital status, pregnancy and maternity(), race, place of origin, nationality(), ancestry, colour, religion or belief, sex and sexual orientation, source of income or family status (together the "Protected Characteristics").

1.2 NA aims to ensure that there will be open access to all those who wish to participate in any aspect of netball activities at meetings and NA Events and those Stakeholders are treated fairly, equally and with respect.

1.3 In addition NA recognises that we live in a diverse society and will endeavour to ensure that all Stakeholders are given the same opportunities regardless of their socio-economic backgrounds.

1.4 Internally, NA is fully committed to the elimination of unlawful and unfair discrimination, and values the differences that a diverse workforce and membership bring to the organisation. Equality will also be promoted as part of NA's behaviour and values.

1.5 NA requires all Members to adopt and/or demonstrate their commitment to the principles and practice of equality as set out in this Equality and Diversity Policy by implementing policies and practices which are consistent with the values contained herein.

1.6 This policy sits alongside all other NA policies, codes and regulations. including, but not limited to, the NA Code of Conduct and the NA Code of Ethics, and adherence will be managed through the NA Disciplinary and Dispute Resolution Regulations (DDR Regulations).

2. Purpose of the Policy

2.1. This policy has been produced to try to address and prevent any unlawful discrimination or other unfair treatment, whether intentional or unintentional, direct or indirect, against Stakeholders that may preclude them from participating fully in any aspect of NA meetings and NA Events.

2.2. Equality is about respecting people's individuality. In doing so NA recognises that this policy must provide flexibility in order to ensure a service, which is adaptive to individuals' needs, thus enabling all in our society to participate without prejudice or unnecessary barriers.

3. Legal Requirements

3.1. NA is required not to unlawfully discriminate against its Stakeholders and recognises its legal obligations under, and will abide by the requirements of, appropriate equality related legislation that may be relevant to NA, such as the Alberta Human Rights Act.

3.2. NA will seek advice each time this Equality and Diversity Policy is reviewed to ensure it continues to reflect the current legal framework and good practice as the Alberta governing body of netball.

(b) Indirect Discrimination: applying a provision, criterion or practice which, on the face of it, applies equally to all but which, in practice can disadvantage individuals with a particular Protected Characteristic. Such requirements or conditions are lawful only if they can be objectively justified.

(c) Harassment: engaging in unwanted conduct relating to a relevant Protected Characteristic or unwanted conduct of a sexual nature where the conduct has the purpose or effect of violating the recipient's dignity or creating an intimidating, hostile, degrading, humiliating or offensive environment for the recipient, or any other individual affected by such conduct. This includes verbal threats, intimidation, jokes, unwelcome remarks, or offensive pictures or posters. NA is committed to ensuring that its Stakeholders are able to conduct their activities free from harassment.

(d) Bullying: the misuse of power or position to criticize persistently or to humiliate and undermine an individual's confidence.

(e) Victimization: subjecting someone to a detriment because he or she has in good faith taken action under the relevant legislation by bringing proceedings, giving evidence or information in relation to proceedings, making an allegation that a person has contravened any aspect of the relevant legislation or doing any other thing for the purpose of or in connection with any relevant legislation.

4.1.2 NA regards discrimination, harassment, bullying or victimization, as described above, as serious misconduct. All complaints against Stakeholders will be taken seriously and appropriate measures, which may include complaint to the Alberta Human Rights Commission and or disciplinary action being brought against any Stakeholder who unlawfully discriminates against, harasses, bullies or victimizes any other person.

5. Duty to Accommodate

5.1. When any decision regarding reasonable accommodation is made about an individual, the only personal characteristics that may be taken into account are those that are consistent with any relevant legislation and are relevant to the substance of the decision being made.

5.2. NA recognizes that it has a duty to accommodate for disabled persons. NA will consider all requests for adjustments and where possible will accommodate reasonable requests and will work with disabled Stakeholders to implement any adjustments that will enable them to participate more fully in netball related activities.
