(if different from above)

The following questions aim to gauge your school's interest in netball, but answering 'no' will not disqualify your application from consideration for the Netball Alberta School Equipment Program (NETS):

Have you participated in a Netball Alberta School Clinic in the past?

Are you interested in participating in Netball Alberta School Clinics in the future?

Have you participated in a Netball Alberta Teacher Information Session?

Are you interested in participating in a Netball Alberta Teacher Information Session in the future?

Do you have any Teachers/Coaches on staff that are familiar or experienced with instructing netball?

Do you have a designated Phys Ed Leader/Instructor to facilitate program implementation and care/monitoring of equipment?

Are you interested in incorporating netball programs into your curriculum and/or extra-curricular activities?

Netball Unit in Phys Ed Class:

Intramural Games during lunch or after hours:

Netball School Team for Inter-school/ External Tournaments:

Can you recommend any neighbouring schools that you have relationships with to partner in inter-school tournaments?
